

Inboard/Outboard & Inboard Winterization Packages

1 STAR ★	2 STAR ★★	3 STAR ★★★	4 STAR ★★★★
	Stabilize Fuel	*2 STAR WINTERIZATION	*3 STAR WINTERIZATION
Drain engine block and manifolds	Start engine and get to operating temp.	*PLUS*:	*PLUS*:
Check drive gear oil for water	Fog engine to prevent corrosion	Change Oil & Filter	Pull Outdrive
	Drain block, manifolds, gearcase, and all hoses.	Change Gear (transmission) Oil	Check U-joints, Bellows & Gimbal Bearings
	Check Gear Oil for Water	Check Electrical Systems	
	Fill with Antifreeze.	Check Spark Plugs	Drive Alignment
	Remove Drain Plugs	Change Water-Fuel Separator	Engine Alignment
		Check Prop	
		Check Bellows for any wear damage	
		Grease Gimbal Bearing (Alpha)	
PRICE:	PRICE:	PRICE:	PRICE:
\$100 (no parts required)	\$175 (parts included)	\$258 (parts NOT included-vary per model)	\$450 (parts NOT included-vary per model)
OPTIONAL ADD ONS:			
Water Pump	\$225 PLUS PARTS	Tune-Up Optional to include: cap & rotor button, spark plugs, spark plug wires, etc. <i>Please inquire for pricing as pricing varies per model.</i>	
Fresh-Water System			
Winterize Freshwater System	\$45.00		
<i>It is recommended to trim outdrive down, disconnect battery, and keep battery in climate-controlled environment after returning from winterization.</i>			

Outboard Winterization Packages

2 Stroke 1 STAR ★	4 Stroke 1 STAR ★	4 Stroke 2 STAR ★★
Stabilize Fuel	Stabilize Fuel	Stabilize Fuel
Start engine and get to operating temp.	Start engine and get to operating temp.	Start engine and get to operating temp.
Fog engine to prevent corrosion	Fog engine to prevent corrosion	Fog engine to prevent corrosion
Top off all fluids	Top off all fluids	Top off all fluids
Grease all lube points	Grease all lube points	Grease all lube points
Change Gear Oil	Change Gear Oil	Change Gear Oil
		Change Engine Oil & Filter
		Change Water/Fuel Separator (if appl.)
PRICE:	PRICE:	PRICE:
\$150 (parts included)	\$150 (parts included)	\$250 (parts not included-vary per model)

Jet Motor Winterization Packages

2 STROKE JET SKI {1 STAR ★}	4 STROKE JET SKI {1 STAR ★}	4 STROKE JET SKI {2 STAR ★★}
Stablize Fuel	Stabilize Fuel	1 STAR ★
Start engine and get to operating temp.	Start engine and get to operating temp.	*PLUS*:
Fog engine to prevent corrosion	Fog engine to prevent corrosion	Change Oil & Filter
Flush with Antifreeze	Flush with Antifreeze	Visual Inspection of wear-ring
Remove Drain Plugs	Remove Drain Plugs	Check Electrical Systems
	Check all Fluids	Check Spark Plugs
		Change fuel filters
		Inspect Exhaust System for any potential leakages
PRICE:	PRICE:	PRICE:
\$125 (parts included)	\$150 (parts included)	\$250 (parts NOT included-vary per model)
OPTIONAL ADD ONS:		
	Tune-Up	Optional to include: cap & rotor button, spark plugs, spark plug wires, etc.
	<i>Please inquire for pricing as pricing varies per model.</i>	
	Fresh-Water System	Winterize Freshwater Systems \$45.00
DOUBLE JET MOTOR 1 STAR ★		
Stabilize Fuel		* DOUBLE JET MOTOR 1 STAR *PLUS*: Change Oil & Filter X2 Visual Inspection of wear-ring X2 Check Electrical Systems X2 Check Spark Plugs X2 Change fuel filters X2 Inspect Exhaust System for any potential leakages X2
Start engine and get to operating temp.		
Fog engine to prevent corrosion		
Drain block, manifolds, pumps, and all hoses.		
Fill with Antifreeze.		
Remove Drain Plugs		
Check all Fluids		
PRICE:		PRICE:
\$300 (parts included)		\$480 (parts not included-vary per model)
